On entry to the property via a corridor there is a double bedroom with en-suite: shower, toilet and wash basin. Further into the house via the corridor is the communal lounge which is furnished with a three-piece suite, coffee table and dining table and four chairs. There will also be a large plasma TV fitted to the wall which will have satellite connected to 'freeview' – Sky available as an extra payable by the students. From the lounge this then leads into the brand new modern fitted kitchen which will contain a washing machine, fridge freezer, electric cooker and microwave. Beyond the kitchen is the second bedroom, which has French windows leading the rear courtyard, it also with its own en-suite: shower, toilet and wash basin.

Upstairs (from the entrance corridor at the front of the house) has two large double bedrooms which have a communal (to the two upstairs bedrooms only) en-suite

bathroom containing a bath with shower over, wash basin and toilet.

All the bedrooms have a bed, wardrobe, chest of drawers, and desk and are carpeted.

The property has double glazing and central heating throughout.

To the rear of the property is a paved courtyard area which is totally secure and access is via a door at the front of the property, via a corridor between the next terrace house, which is lockable from the inside! Outside there is on street parking without restrictions.

The local amenities include a Morrisons supermarket close by, a number of takeaways at the end of the street and a number of public houses on the short walk (0.5 mile) into the city centre.
